Applicable to all sections of this Policy Excluding Baggage

IN CONSIDERATION OF THE INSURED having paid or agreed to pay each of the INSURERS the required premium, hereinafter called "THE INSURERS".

THE INSURERS SEVERALLY AND NOT JOINTLY agree, each for the Sum(s) Insured or Percentage(s) and for the Coverage(s) Insured set against its name, and subject always to the terms and conditions of the Policy, that if a loss occurs for which insurance is provided by this Policy at any time while it is in force, they will indemnify the INSURED against the loss so caused; the liability of each insurer individually for such loss being limited to that proportion of the loss payable according to the terms and conditions of this Policy which the Sum Insured or the amount corresponding to the Percentage set against it bears to the total of the sums insured or of the amounts corresponding to the percentages of the sums insured respectively set out against the coverage concerned on the Policy Declaration.

Wherever in this Policy, or in any endorsement attached hereto, reference is made to "The Company", "The Insurer", "This Company", "we", "us", or "our", reference shall be deemed to be made to each of the Insurers severally.

This Policy is made and accepted subject to the foregoing provisions, and to the other provisions, stipulations and conditions contained herein, which are hereby specially

referred to and made part of this Policy, as well as such other provisions, agreements or conditions as may be endorsed hereon or added hereto.

Several liability clause

**PLEASE NOTE—This notice contains important information.
PLEASE READ CAREFULLY**

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
